

Narrative

I James O'Donnell, President of Martha's vineyard Electricians Inc. will be storing my material in 1 bay of my 3 car garage. I have a small fenced in area for my utility trailer and misc. pipe/wire/trash bins. I have 2 ram promaster vans with a gvwr of 8900lbs that myself and my employee use during the day. These vans are stored over night in front of the garage. I have a gmc 2500 pickup truck with a gvwr of 9500lbs. These are all the company trucks and trailers I have. My 1 employee meets me at the shop in the morning and we do electrical service work across the island. My office and corporation address is at 9 Chickawaukee St. oak bluffs ma 02557. I am only using my property at 664 Old County to store my vans and misc. material for my company. Clients meet me at my office in oak bluffs. If a special permit is required for this please let me know.
